SENOR ZORRO

How to buy:

- Access our website,
- Select the country, then select the brand you want to buy from.
- Select the right item, and choose size and color carefully.
- Copy the link of the item from the original brand, and paste it in your account field in (Senior Zorro).
- Check the item information (size, color, price, etc.).
- After confirming the item information, make the purchase.

We will review the purchase order, To make sure you select the right details.

Important notes /

We add additional fees if you choose kitchen or electrical products (weights and sizes are different).

Recommend that: buying quickly, especially in sales season, so that the item does not run out from the stores.

- You can buy more than an item from more than a store in the shopping basket.

It is preferable to buy from each country with a new purchase list.

We recommend using Google Chrome, to translate from different languages to Arabic.

Delivery:

- Delivery time varies according to the site of purchase, from 10 days to 45 day.
- It is possible to follow up your request through your account on the site.

We take care of the external and internal delivery, until your door.

Return and Exchange:

Customer has the ability to cancel and restore the order within maximum period of (7) days from the date of purchase.

The parcel can't be returned after the allowed period has passed,

Due to the shipment period, which may take a month until reaching Iraq, and we are unable to return it back.
